

## De Beauvoir Primary School Proposed Sports Premium Funding 2017 -2018

### What is the Sports Premium?

The Department for Education (DfE) provide funding to schools in order to improve the quality of sport and PE for all pupils. The funding was first issued to schools during the academic year 2013/2014. From September 2013 – July 2017, De Beauvoir received £37,071 in Sports Premium funding. At De Beauvoir, we are committed to ensuring that pupils understand the importance of being active, having a healthy lifestyle and enjoying sports and games activities. This year, Sports Premium funding increased. De Beauvoir has been allocated £18,790 for the academic year 2017-2018.

At De Beauvoir we have decided to use the Sports Premium to:

- increase pupils' participation in sports and physical activities at break and lunchtimes;
- to further improve the quality of teaching in PE;
- to improve the provision of sports in after school sports clubs.

### Sports Premium Funding - September 2013 – July 2017

During 2013-2017 funding was used to provide:

- New PE equipment;
- Alternative sport opportunities from outside companies such as Brazilian capoeira, kayaking at Laburnum boat club, the Arsenal Double Club, swimming lessons at Britannia Leisure Centre and provision from Badu Sports;
- The introduction of new sport activities and encouraging more pupils to take part in new sports such as fencing, street dance and table tennis;
- Current staff with training or resources to help them teach PE and sports more effectively;
- Involvement and support for the least active children, and those are eligible for the Pupil Premium Grant, by running after school sports clubs and a Change4life club;
- Participation in sports competitions within the borough;
- Increased pupil participation in inter-school games.

## **Sports Premium Funding 2017 – 2018**

Our school has been awarded £18,790 for the academic year 2017 -2018. We intend to use the funding in the following ways:

<b>Initiative</b>	<b>Funding allocated</b>	<b>Intended Impact</b>	<b>Evaluation</b>
To increase participation in sports and physical activities by employing sports coaches to run after school sport clubs, enabling a range of extra-curricular sports opportunities to be provided and participation in competitions with other schools.	£2,000	More pupils attending after school sport clubs. To expose pupils to a range of different sports. To improve pupils' self-esteem.	80+ pupils participated in Gifted and Talented Club, Girls' Club, Fit Friday and Mini Mermaids clubs. 40+ pupils participated in basketball, football, boccia and new age kurling competitions.
Invest in more equipment to support PE teaching.	£1,000	To offer more opportunities for different sports.	Cross training equipment purchased and used during PE sessions.
Promote physical activity at break times and lunchtimes.	£2,000	A higher percentage of pupils participating in physical activities at break times and lunchtimes.  Reduced behaviour incidents during play and lunchtimes.	Hockey, cricket, football, kingball, basketball, ping pong, tennis and skipping are always well attended at lunch times.
Offer more after school sports clubs. (50 pupils)	£1,500	To expose pupils to a range of different sports.	50+ pupils benefitted from after school clubs, including Football and Cricket clubs, run by school staff.
Whole school celebration events. Medals and certificates for Sports Day.	£500	Achievements are recognised and celebrated. Website showcases sport at De Beauvoir.	All pupils received medals and winning teams received trophies. These received positive feedback from pupils and parents at sports day.
Outdoor table tennis table – equipment	£3,500	To expose pupils to a range of different Sports. A higher percentage of pupils participating in physical activities at break times and lunchtimes.	Equipment on order.
Line markings / traverse wall	£7,300	To expose pupils to a range of different Sports. A higher percentage of pupils participating in physical activities at break times and lunchtimes.	100+ pupils engaging with traverse wall each week. 200+ pupils engaging with basketball, racing, kingball and football regularly during break and lunch times.
Patball - equipment	£1,000	To expose pupils to a range of different Sports. A higher percentage of pupils participating in physical activities at break times and lunchtimes.	30+ pupils engaging with Patball each week during lunch and play times.
<b>TOTAL</b>	<b>£18,800</b>
