

De Beauvoir Primary School Proposed Sport Premium Funding 2017 -2018

What is the Sports Premium?

The Department for Education (DfE) are spending over £450 million on improving physical education (PE) and sport in primary schools over the 3 academic years. The funding was first issued for the academic year 2013/2014 and it will continue over the academic years 2014/2015 and 2015/2016. The funding will be allocated directly to primary schools to spend on improving the quality of sport and PE for all pupils.

Purpose of funding

Schools must spend the additional funding on improving their provision for PE and sport, but schools have been given the freedom to choose how they do this.

At De Beauvoir we have decided to use our money to:

- increase pupils' participation in sports and physical activities at lunchtimes and after school
- to further improve the quality of teaching in PE
- to increase the numbers of girls participating in after school sports clubs

Our school has been awarded £15,073 for the academic year 2017 -2018 and we intend to use the funding as outlined in the attached document: **Sports Funding 2017-2018**

PE Funding - September 2013 – July 2017

From September 2013 – July 2017 we have received £37,071. At De Beauvoir, we are committed to ensuring our children understand the importance of being active, having a healthy lifestyle and enjoying sports and games activities. Below is an overview of how we have used this funding in 2013-2017.

We have allocated the money as follows:

- New PE equipment
- Providing alternative sport opportunities from outside companies such as Brazilian capoeira, kayaking at Laburnum boat club, the Arsenal Double Club, swimming lessons at Britannia Leisure Centre and provision from Badu Sports.
- Introducing new sport activities and encouraging more pupils to take part in new sports such as fencing, street dance and table tennis.
- Providing current staff with training or resources to help them teach PE and sports more effectively.
- Involving and supporting the least active children, and those are eligible for the Pupil Premium Grant, by running after school sports clubs and a Change4life club.
- Participating in sports competitions within the borough

- Increasing pupils' participation in inter-school games.

De Beauvoir Primary School Proposed Sport Premium Funding 2017 -2018

What is the Sports Premium

The Department for Education (DfE) are spending over £450 million on improving physical education (PE) and sport in primary schools over the 3 academic years. The funding was first issued for the academic year 2013/2014 and it will continue over the academic years 2014/2015 and 2015/2016. The funding will be allocated directly to primary schools to spend on improving the quality of sport and PE for all pupils.

Purpose of funding

Schools must spend the additional funding on improving their provision for PE and sport, but schools have been given the freedom to choose how they do this.

At De Beauvoir we recognise the contribution that PE plays in contributing to children's health and well-being and have decided to use our money to:

- increase pupils' participation in sports and physical activities at lunchtimes and after school
- to further improve the quality of teaching in PE
- to increase the numbers of girls participating in after school sports clubs

Our school allocation

Our school has been awarded £15,073 for the academic year 2017 -2018 and we intend to use the funding as outlined below.
